

## CIRIEC-Portugal, activities 2020-2022

---

Despite the constraints caused by the COVID 19 pandemic, in the last two years we carried out several activities that are below briefly described.

### Research and Studies

- **“O Crédito Agrícola e o desenvolvimento regional e local” (Crédito Agrícola and regional and local development)**, requested by Caixa Central de Crédito Agrícola Mútuo (cooperative bank). The study will be published in book form at the end of 2022.
- **“COOPVID - Estudo sobre os impactos do Covid 19 nas Cooperativas de Solidariedade Social” (COOPVID - Study of the impacts of Covid 19 on Social Solidarity Cooperatives)**, requested by CONFECOOP – Confederação Cooperativa Portuguesa, and carried out in partnership between CIRIEC-Portugal and CEOS.PP – Centro de Estudos Organizacionais e Sociais do Instituto Politécnico do Porto.

### Publications

- **“Atlas da Economia Social do Município de Torres Vedras”** (first edition), organized by the Municipality of Torres Vedras and Centro Torreense de Estudos de Economia Social (a partnership between the Municipality and CIRIEC-Portugal), and supported by CIRIEC-Portugal.
