

## CIRIEC-Portugal, activities 2022-2024

---

### Research and Studies

The following studies, mentioned in the 2020-2022 report, are terminated:

- **“O Crédito Agrícola e o desenvolvimento regional e local” (Crédito Agrícola and regional and local development)**, requested by Caixa Central de Crédito Agrícola Mútuo (cooperative bank).
- **“COOPVID - Estudo sobre os impactos do Covid 19 nas Cooperativas de Solidariedade Social” (COOPVID - Study of the impacts of Covid 19 on Social Solidarity Cooperatives)**, requested by CONFECOOP – Confederação Cooperativa Portuguesa, and carried out in partnership between CIRIEC-Portugal and CEOS.PP – Centro de Estudos Organizacionais e Sociais do Instituto Politécnico do Porto.

Two new studies began:

- **“A Economia Social no Oeste. Bases para o seu desenvolvimento estratégico” (The Social Economy at the West Region: Basis for a strategic development)”,** requested by the Intermunicipality of West Region (CIM- Oeste).
- **“Colaboration with the OEI (Organização dos Estados Iberoamericanos)** concerning the Observatory of the Portuguese Language.

### Protocols

- a) Between CIRIEC-Portugal and the Universidade Autónoma de Lisboa: Protocol aimed to strength post-graduate teaching on Social Economy
- b) Between CIRIEC-Portugal, the Universidade Autónoma de Lisboa and CASES (Cooperativa António Sérgio para a Economia Social – the regulation body of the Social Economy): Protocol aimed to develop the Observatory on Social Economy
- c) Between CIRIEC-Portugal and the Institute for Global Local Culture Studies (IG-LCS), Daejeon University

## International meetings

CIRIEC-Portugal and the Universidade Autónoma de Lisboa organized two colloquiums:

- July 13, 2023 – **Social Economy and Local Authorities**
- November 7, 2023 – **Social Economy: Trends and Prospective**

## New website

CIRIEC-Portugal improved the communication tools developing a new website: <https://ciriecportugal.pt/>
